

## Company Overview

**Jainsons** is well established and acknowledged name in the electrical and allied industry as a **Distribution House & solution provider** which started operating the business in the year **1985**. Situated in New Delhi, India, we have been centrally located which makes us more accessible to the customers. Having years of experience and expertise, we have been able to attain a position of a leading **Distribution Centre & Solution provider** of electrical goods and allied industry.

## Esteemed Vendor Base

Associated with few of the leading Indian and international companies of the respective field, **Jainsons** is honored to be renowned as a notable distributor and exporter in the marketplace. The companies we deal in are **Panduit (USA), Telergon (Spain), Xtralis- Vesda (Australia), Hellermann Tyton (Japan), Klauke (Germany), Phoenix (India/Germany) Hummel Connector (Germany) & Ideal Electrical (USA) and more..** Apart from the ethical business, they also help us serve vast clientele by providing exceptional quality products and solutions as per the specific needs of our reputed patronage.

By our sheer hard work and dedication **Jainsons** has now become from a trader to a distribution center & an able solution provider in all the verticals viz. **Aerospace, Power & Energy-Solar & other conventional methods, Oil & Gas, Automobile, Railways, Health-Food processing, Defense, Medical, Garment and more.**

## Quality- Prime Focus

From many decades, we are engaged in the business of electrical and allied goods thus, enhance our brand image in front of the clients is our utmost prerogative. As we are personally not involved in the manufacturing of the products, associations with top Global & Indian brands is our strength.

The complete assortment in our product portfolio is sourced from the certified manufacturers complying with the international standards certifying to meet requirements of our diverse customer base. To ensure that sourced goods are capable enough to match international standards and customer specific requirements, we provide respective Test Certificate of the manufacturer to the client and also do time to time quality audits of the products.

PANDUIT(From USA) Electrical Solution Product Range	
1	<b>Cable Ties</b> - Loose or Reel form - Having properties like Weather Resistant. Heat Stabilized, Flame Retardant
2	<b>Cable Accessories</b> - like cable mounts , cable tie Installation tools (Automated & Manual)etc
3	<b>Stainless Steel Cable Ties</b> & its installation Tools.
4	<b>Wiring Duct (Metal &amp; Fiber)</b> - Hinged Cover, Wide Slot, Narrow Slot, Round Hole, Metrics Narrow Slot, Solid Wall etc & installation tools.
5	<b>Surface Raceway</b> - Non-Metallic, Office Furniture Raceways & it's fittings, Cove raceway & it's Fittings,
6	<b>Abrasion Protection</b> - Spiral Wrap, Heat Shrink, Sleeving etc.
7	<b>Cable Management</b> - Conduits, Cable / Rack Spacers, Cable support Systems etc.
8	<b>Terminals</b> - Like Fork, Ring, Stud, Funnel entry, Pin terminals, Disconnects, Splices & Wire Joints, and Ferrules & Tools.
9	<b>Power &amp; Grounding Terminals</b> - Lugs, Washers, Mechanical Connectors & Compression Connector Crimping Tools.
10	<b>Labeling System</b> - Panther LS8 Handheld Printer & Software, Panacea LS7 Thermal
11	<b>Labels</b> - Self laminated, Non Laminated, Heat Shrink, Component, Flag Style, Continuous Tapes etc.
12	<b>Pre-printed &amp; Write-on markers</b> - Marker cards, Clip-on Wire markers, Self laminated Wire marker Dispenser etc.
13	<b>Lockout / Tag-out &amp; Safety Solutions</b> - Compliance manual, Training Video & Handbook, Wallet Cards, Lockout Devices etc.

1	VESDA-E — The next generation of ASD innovation
2	VESDA Very Early Warning Aspirating Smoke Detection (ASD)
3	VESDA VLI ASD for Industrial Applications
4	VESDA ECO ASD Gas Detection & Environmental Monitoring
5	ICAM Flexible Aspirating Smoke Detection
6	OSID Open-area Smoke Detection
7	ADPRO Perimeter, Multi-site and Enterprise Security Solutions
8	HeiTel Remote Monitoring & CMS Solutions

[www.hummelconnector.com](http://www.hummelconnector.com) for all wiring accessories.

<b>Hummel Connector (From Germany) Electrical Solution Product Range</b>	
1	<b>Cable Glands-</b> Polyamide, Brass and Stainless steel, EMC-Connector, Ex e-, Ex d-, Ex ta-Cable Glands
2	<b>Circular Connector – M8 to M40, Inox, Twilock, Industrial Ethernet, Power, Signal, Hybrid-Connector, Moulded Cordsets.</b>
3	<b>Industrial Enclosures- Enclouser made of PC, Polyester, Aluminium and Stainless Steel, Customized Cable Glands, Accessories</b>
4	<b>Cable Assembly – Moulded Signal and Power Circular Connectors, Servo Cables, Cable Set</b>
5	<b>Conduit System-</b> Corrugated Conduit System, Conduit Cable Glands, Angled Systems, Combined Cable Gland, Accessories

<b>Ideal Electrical (From USA) Electrical Solution Product Range</b>	
1	<b>Wire Termination-</b> Wire-Nut, Wing-Nut, Twister-Pro, Weather Proof, Mug-Bug, Under Ground, Al/CU Wire connector
2	<b>Tools &amp; Supplies –</b> Fish Tapes & Accessories, Fishing Poles, Wire Polling Lubricants & Accessories, Conduit Benders, Wire Strippers, Pliers, Miscellaneous Hand Tools, Cable Cutters, Screwdrivers, Industrial Bits & Accessories, Insulated Hand Tools, Tool Carriers & Bags, Hand Tool Kits, Cutting & Holemaking Tools, Cable Ties, Cable Staples, Wire Markers, Switches, Heat Shrink, Heat Guns, Lockout/Tagout, Safety Signs, Safety Tapes, Commutator Maintenance
3	<b>Precision Wire Stripping-</b> Stripmaster wire Strippers, Custom Stripmaster Wire Strippers, Pneumatics Wire Strippers
4	<b>Test &amp; Measurement-</b> Circuit Tracers, Clamp Meter, Circuit Analyzers, Multimeters, Specialty Testers, Accessories,
5	<b>Data Communications/ Networks-</b> Testers, Compression Tools & Connectors, Crimp Tools/ Die Sets, Tool, Modular Plugs, Strippers, Splitters, Kits, Fiber Optics.

# HellermannTyton

[www.hellermanntyton.com](http://www.hellermanntyton.com) for all wiring accessories.

<b>Hellermann Tyton (From Japan) Electrical Solution Product Range</b>	
1	<b>Cable Ties</b> - Loose or Reel form - Having properties like Weather Resistant. Heat Stabilized, Flame Retardant
2	<b>Cable Accessories</b> - like cable mounts , cable tie Installation tools (Automated & Manual)etc
3	<b>Stainless Steel Cable Ties</b> & its installation Tools.
4	<b>Wiring Duct (Metal &amp; Fiber)</b> - Hinged Cover, Wide Slot, Narrow Slot, Round Hole, Metrics Narrow Slot, Solid Wall etc & installation tools.
5	<b>Insulation</b> – Heat Shrinkable tubing, Heat Shrinkable Moulded Shapes, Non Shrinkable Tubing.
6	<b>Cable Protection Systems</b> - Spiral Wrap, Heat Shrink, Braided Sleeving Edge Protection, Metallic Conduit, Non Metallic Conduit System, etc.
7	<b>Installation Devices</b> – Electrical & Technical Tapes etc.
8	<b>Identification-</b> Label Selection, Wire & Cable Markers, Identification, Security Labelling, Hazardous Area Identification, Printer and Software
9	<b>Application Tooling</b> – Automatics Cable Tying System, Application Tooling For- Heat Shrinkable Tubing, Snappers

[www.india.gorlanteam.com/www.telergon.es](http://www.india.gorlanteam.com/www.telergon.es) for all wiring accessories.

<b>Telergon</b> (From Spain) Low Voltage Swithgear (CAM SWITCHES,ISOLATERS,CHANGEOVERS), AC & DC DISCONNECTORS	
1	<b>Models</b> – Mod-T, Mod-TF,S5000,S6000
2	<b>Accessories</b> – Clutch Device, Key Handle Device, Pad Locking Device, Tendem Drives, Inter Locking System, Switch in Enclosure, Coaxial Coupling, Signalling Devices, Front Palte, Din Rail Device, Terminal Shrouds

[www.klauke.com](http://www.klauke.com)

<b>Klauke</b> (From Germany) Crimping & Cutting Tools	
1	<b>Electrical Connection System-Copper</b> Tubular cable lugs & Connectors, Stainless Steel and Nikel tubular cable lugs and connectors, Copper Compression cable lugs & connector to DIN, Copper SOLDERLESS terminals, Connectors to pin cable lugs to DIN, Copper sleeves for compacted conductors and sector shaped conductors, Aluminium Compression cable lugs and connectors to Din, Aluminium/copper cpmression cable and connectors,Clamp and Screw connectors, Cable sleeves, Cable connections, Insulated and non insulated, Assortments
2	<b>Crimping Dies-</b> Series 50, Series 4, Series 5, Series 18, Series 22, Series 13, Series 25, Series 45
3	<b>Holemaking Tools-</b> Round and special shape punches, Punch drivers and sets, hole saws, Bits and step bits
4	<b>Cable Pulling Technologies-</b> Fish tapes, Cable pullar, Pulling grips
5	<b>Crimping and cutting tools-</b> Mechanical crimping and cutting tools, Electric and pneumatics crimping tools, Hand-operated hydraulic crimping, Cutting and universal tools, Battery-operated crimping cutting and universal heads, Hydraulic Drive units, Hydaulic systems, Accessories for hydraulic tools, Force and pressure gauge system
6	<b>Hand Tools-</b> VDE Tools, Standards Tools, Wire Stripping Tools, Stripping Tools, Tools for communicatins technology
7	<b>Production Tools-</b> Special Cutting Tools, Machining for bus bars, Pumps and accessories
8	<b>Testing and Measuring Instruments-</b> Voltage testers, Teamperature gaugaes, Digital Multimeters, Locators, Clamp Meters, Cable and conductors identifirs, VDE testing insutruments, Networks measuring devices and testers.
